

GAME SLAVES WALKTHROUGH

General FAQ: Most decisions will branch you into conversations or events that will reveal information not available elsewhere. Most do not have an impact on the 100% completion.

100% Completion: To receive the BlackStar Shield of Awesomeness (it's actually not that awesome), you must never let a timer expire, leave your team behind, or self terminate.

You must also treat Mi with the utmost respect whenever you get that opportunity.

In addition, you must not get an answer wrong in these boss battles:

Currency, Boss Battles, Riding Buttercup, Mi's Scrapper Mission, Reno's Wall Mission, York's X-Mart Mission, Jevo, Siege, Escape, and the BlackStar HQ Traps.
